UNVEILING EXQUISITE DESIGN AND SUPERIOR QUALITY IN TOILET SEAT COVERS

Itamax was established in Morbi, Gujarat, in 2015. At Itamax, we strive to constantly introduce new products, provide better services, and offer greater value to our customers. Itamax Industries is dedicated to providing everlasting shine and precision with Italian technology, adhering to European standards.

We are manufacturers of toilet seat covers and cisterns. Our extensive range of toilet seat covers includes various designs for wall-hung and one-piece toilets, as well as anglo-indian style toilets, available in different sizes. For more details, please refer to our catalogs. Our future plans involve continuing the successful practices that have served us well in the past.

We are committed to the constant implementation and enhancement of sound business practices, fostering partnerships with top vendors. Ultimately, our goal is to serve our customers by supplying the highest quality products.

WAVES OF STYLE

PUTTING HYGIENE AT THE FOREFRONT

As a high-quality toilet seat cover, our product is designed to help you maintain hygiene and conserve water. The seat cover is specially crafted to provide an added touch of elegance while ensuring cleanliness.

MISSION

Our mission is to provide you with the best quality products on the market. We believe that customer satisfaction is the key to success, which we strive to achieve through exceptional service and a dedication to excellence in each product we produce. By maintaining regular connections with our clients, we aim to consistently surpass both our own expectations and those of the industry as a whole. Our intention is to lead our company in the future by manufacturing top-notch products.

GROWTH PROSPECT

Every action we take brings us closer to our vision because we are committed to upholding our ideals in all that we do. We founded the company with the goal of offering customers the best value for their money. With the objective of dominating the global market, setting our own standards, and elevating Indian products to the highest possible levels, we aim to maximize customer satisfaction by providing quality and innovative designs that solve their problems and make them happy.

EXPERIENCE HYGIENE, REIMAGINED.

EXPERIENCE
UNMATCHED COMFORT
& UNBEATABLE QUALITY

Made from high-quality virgin materials, our toilet seat covers feature robust hinges and solid-section compression-molded styles. Each design is meticulously crafted to prioritize style, comfort, and durability, ensuring that your bathroom experience surpasses all expectations.

DEFINING FEATURES

Introducing our innovative toilet seat cover with a range of exceptional features that provide convenience, comfort, and safety.

Recyclable Product

We prioritize sustainability by creating easily recyclable products that adhere to international standards. Our toilet seat cover is crafted from high-quality plastic, ensuring effortless recycling.

Anti-yellowing Light Resistant

Experience enhanced visual comfort with our anti-yellowing light resistant toilet seat cover. Designed to protect your loved ones and guests from irritating glare and harmful yellow light, particularly detrimental to children's eyesight.

Hypoallergenic & Non Toxic

We take pride in offering a hypoallergenic and non-toxic toilet seat cover made from premium materials. Our best-quality product boasts advanced features such as anti-mildew, anti-microbial, and anti-bacterial properties, ensuring a hygienic environment.

Scratches Resistant

With the toilet seat cover being one of the most frequently used household items, we have developed a solution to prevent damage from dust, dirt, lint, water, light, and moisture. Our product is highly resistant to scratches, ensuring its durability and longevity.

Soft Close Technology

Incorporating user-friendly technology, our toilet seat cover features Soft-Close technology. This innovative mechanism guarantees a gentle and quiet closing motion, setting our quality product apart from others available in the market.
